

Fishing Learn From The Tips Laugh At The Tales

Fishing Learn From The Tips Laugh At The Tales - Fishing: Learn from the Tips & Laugh at the Tales [George F Mason] on Amazon.com. *FREE* shipping on qualifying offers. George Mason has been passionate about fishing since his father bought him his first rod in the early sixties. Fishing: Learn from the tips & laugh at the tales : George F Mason George Mason spent over 30 years of his life working in factory and whilst the money was handy and the banter wit his colleagues was most enjoyable, every day without exception, he yearned to be on the riverbank. George lives in England, so the tips and tales are unique to that country. However, the book would be of interest to anglers of anywhere because catching fish is the same the world over and it is a pleasure to read. Fishing: Learn from the Tips and Laugh at the Tales by George F. Mason Details George Mason was passionate about jumping all his life. A successful match fisherman, he won the local fishermen's championship for two consecutive years.
